

Identify Key Details in Literary Texts

KEY DETAILS
help you answer
questions about

Why characters
and events develop
the way they do

Where
events happen

Who the
characters are

What events
happen

When
events happen

To identify key details in literary texts

- **AS you read**, highlight things you think *might* be important.
- **AFTER you read**, review what you highlighted to see what was *actually* important information. What helped you answer the **W** questions?
